OLD MISSION SAN JUAN CAPISTRANO

Founded November 1, 1776

Visitors find beautiful flower gardens at the front of the Mission. From the fountain a walk leads to the "camp-anario" or bell wall at left; to the statue of Fray Junipero Serra, founder of the California Missions, and to ruins of the great Stone Church at the right.

This probably will be my last
card. Artie & Mary are taking
us riding today & the week.
Just had a Spanish luncheon.
Got your letter this m. & so
glad to. Time goes too fast
in places like this. Sun is
out. Gorgeous. See you Thurs
